## 1. Transformative Infrastructure Development

We specialize in the conception, structuring, and execution of large-scale, high-impact infrastructure projects. From smart cities to modern transportation corridors, renewable energy parks, clean water systems, and aviation hubs, our infrastructure portfolio is designed to meet the continent's urgent developmental needs while creating long-term socio-economic value.

Our flagship future projects planned for Mpumalanga province include:

- CANAAN SMART CITY – A futuristic, digital-driven urban ecosystem
- CANAAN INTERNATIONAL AIRPORT – A regional logistics and aviation powerhouse
- CANAAN LOGISTICS & SMART TRANSPORT NETWORK – Integrated freight and commuter systems
- CANAAN RENEWABLE ENERGY PARK – A clean energy solution for Africa's green transition
- SMART WATER & SANITATION INFRASTRUCTURES – Scalable access to safe, clean water

Combined, these projects represent an investment pipeline of over ZAR 480 Billion (USD 26.7 Billion) and reflect our commitment to Africa's Agenda 2063 and South Africa's National Development Plan.

## 2. Global Energy Trading

As a trusted partner in international energy trade, PNP AlliH connects credible buyers and vetted sellers across the oil and gas value chain. With strict due diligence and transparent processes, we facilitate secure transactions of refined petroleum products, base oils, liquefied gases, crude oil, and specialty fuels. Our core traded products include:

- Jet A1, JP54 Aviation Fuels
- Diesel (EN590, D2, 10–500 PPM), Virgin Oil D6, Gasoline 95 & 98
- Base Oils (SN150, SN350, SN500, SN650, N60, N150, N300, and others)
- Crude Oils & Light Cycle Oil
- LNG, LPG, Bitumen, Lithium Products, and Specialty Lubricants

Through our Global Energy Solutions platform, we provide a reliable gateway for serious trade mandates and long-term offtake agreements.
